

Sr. eCOMMERCE .NET SOFTWARE ENGINEER

Nilfisk-Advance, Inc., the world's premiere manufacturer of professional cleaning equipment, has a challenging, newly created position available for an experienced Sr. eCommerce .NET Software Engineer in our Plymouth location.

Individual is responsible for applying their solid eCommerce development experience to support, enhance and develop existing and future eCommerce software infrastructure to help drive revenues and operation efficiencies through new and current marketing and sales channels. Individual must exhibit strong technical experience with ability and willingness to take on project management and business analyst roles in website design and development using Microsoft .Net technology.

Responsibilities Include:

- Translate requirements to software implementation using .Net 3.5; ASP.Net; C#; XML/XSLT; Sitecore; SQL Server and Oracle.
- Research and development of software solution to problems and requests
- Support and maintenance of software development and deployment
- Object orientated analysis and design

Required Qualifications:

- BS degree in Computer Science or related field.
- ASP.Net Framework 5+ years
- .Net 2.0/WCF/WF 3+ years
- C# 3+ years
- SQL Server 10+ years
- Oracle 1 year
- Web application development 10+ years
- OOAD 2 years
- HTML, CSS and Javascript 10 years

Additional desired skills include:

- Sitecore CMS, Sharepoint or other .Net based CMS experience
- Test driven development with NUnit
- Dreamweaver, Photoshop or Fireworks
- XML, XSL, XPath
- Visio, UML, MS Project, Sharepoint

Required computer skills:

- Networking concepts and troubleshooting experiences
- IIS Setup and Administration
- Windows XP setup and configuration
- Terminal Services
- SQL Server Administration and Support
- Software installation and configuration in commercial settings
- Server administration and support in commercial settings

Must be a US Citizen or hold Permanent Residency as we are unable to sponsor candidates.

In order to be considered a qualified applicant, you must meet all of the above requirements. Local candidates (no relocation available) who meet those qualifications should submit a resume including a cover letter with salary requirements to:
