

Burnishers

Commercial Equipment

Advolution™ 20

Cord Electric Burnisher

- 20 inch burnishing path, 1,500 r.p.m.
- Flex Floor Technology for consistent even shine even on unlevel floors
- Patented gas spring provides optimal head pressure for maximum gloss performance
- EZ Store™ folding handle
- Rotating cord hook
- 75 foot safety yellow cord with hospital grade plug

Advolution™ 20B/20BT/24B/24BT

Battery-Powered Burnishers

- Pad assist model (20B/24B) or powered traction model (20BT/24BT) available
- Consistent and even polishing with self-regulating pad pressure
- Best passive dust control in the market, which helps improve indoor air quality
- Safety switch in pad change position
- Optional active dust control is available with the addition of an Adgility hip-style vacuum to the front of the machine

Advolution™ 20XP

Cord Electric Burnisher

- 20 inch burnishing path, 2,000 r.p.m. with dust control
- Flex Floor Technology for consistent even shine even on unlevel floors
- Patented gas spring provides optimal head pressure for maximum gloss performance
- EZ Store™ folding handle
- Rotating cord hook
- 75 foot safety yellow cord with hospital grade plug
- Dual Port Dust Bag

PBU Series 21 & 27

Propane-Powered Burnishers

- 20 and 27 inch burnishing paths available in a variety of models with either 1,500 or 2,100 r.p.m.
- Powerful 13 or 17 hp Twin-V engines
- Fastest high gloss burnishing available
- Rugged one piece cast deck & frame - powder coat finish resists damage
- Adjustable handle
- Available with or without dust control
- Available with Carb Gard™ emissions control
- Available with catalytic mufflers
- Dust control models meet California air resources board approval

Advolution™ 2710

Rider Burnisher

- Ultra high productivity, six 6 Volt/ 395 Ah batteries
- 1,750 rpm, 3.25 hp motor produces an exceptional shine
- One-Touch™ burnishing with three pad pressure settings
- Passive dust control standard; active dust control optional for added filtration

Smart cleaning.
