

SC750™ & SC800™

Walk-Behind Scrubbers

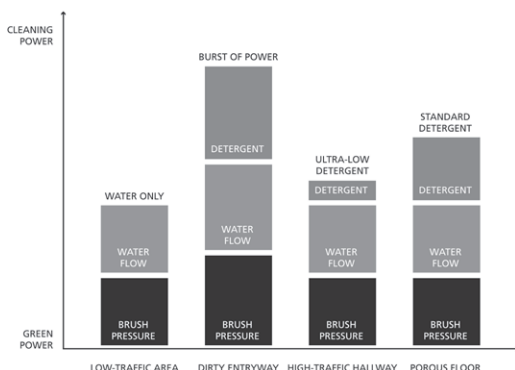

Simple operation, flexible performance.

Advance's rugged, low-maintenance SC750™ and SC800™ scrubbers deliver incredible value on a walk-behind platform. High productivity per tankful allows for 84 minutes of continuous scrubbing, which reduces dump/refill cycles and helps provide fast ROI. The SC800 model is available with EcoFlex™ System which offers the flexibility to clean across the entire cleaning spectrum from green to clean. At the touch of a button one can switch from chemical free cleaning to using an ultra low dilution ratio, and of course detergent can be used at full strength for the toughest of soils. The burst of power feature lets you easily apply more pressure, more solution and more detergent at the touch of a single button. With the flexibility to easily apply the right scrubbing performance for the job, you'll use less detergent, minimize water use and save on cleaning costs.

Maintain a flexible routine.

EcoFlex™ System

- Green
- Clean
- Cost-efficient

Standard Features Include

- Smart Solutions™ available on all models
- EcoFlex™ System available on SC800 models
- Green cleaning and high productivity technology
- SC750 with 21 gallon (80 L) solution and recovery tanks
- SC800 with 25 gallon (95 L) solution and recovery tanks
- Self adjusting skirt on disc machines
- Heavy duty scrubbing performance

Typical Applications Include

- Routine scrubbing
- Ultra-light to heavy scrubbing
- Entryway cleaning
- Spill cleanup
- Grease removal
- Grout and porous-surface cleaning
- Detergent residue removal (using water only)

ecoflex™ system

SC750™ & SC800™

Walk-Behind Scrubbers

A built-in squeegee hanger makes transport easier and reduces trip and fall accidents.

An integrated debris catch cage traps and collects drain clogging debris.

The SC750 ST / SC800 ST provides simple operation and robust scrubbing controls.

- 1 Soft-Touch™ paddle system provides superior comfort and safety
- 2 Very-quiet 61 dB A sound level allows for daytime cleaning
- 3 A choice of an onboard charger or shelf charger provides convenient charging options*
- 4 High capacity solution/recovery tanks SC750 21 gal (80 L), SC800 25 gal (95 L) offer high productivity through fewer dump/refill cycles
- 5 Gray, non-marking solid tires provide superior traction
- 6 Heavy-duty steel deck and dual rollers protect the machine and facility

* Onboard charger available on SC800 models only.

Industrial Strength Solutions...

- Our products are designed using innovative technology that increases productivity and drives down the cost to clean.
- You can get expert service and maintenance for your Advance machines from factory-trained personnel around the world. Fast parts delivery, too.
- Maintain peak performance with Nilfisk Parts.
