

Adfinity™ X20C & X20D

Walk-Behind Scrubber

FACT SHEET

Traction Drive For Increased Productivity.

The new Adfinity™ traction-drive scrubbers from Advance offers the size and performance you need. With a scrub path of 20 inches wide, and an onboard detergent dispensing system, you will get the highest level of cleaning productivity.

If you're looking for a scrubber that offers the most efficient use of cleaning chemicals, an Adfinity with AXP™ is your answer. Advance's patented AXP onboard detergent dispensing system eliminates guesswork by dispensing detergent at the manufacturer's recommended dilution ratio. The Adfinity with AXP eliminates premixing of chemicals, which saves time and prevents detergent and water waste. The Adfinity comes standard with an onboard battery charger, allowing the flexibility to charge the machine at any available electrical outlet.

One-Touch™ operation makes the Adfinity easy to learn and easy to use. The Adfinity is equipped with forward and reverse traction drive and an ergonomic and safe paddle design for extra operator comfort. The Adfinity is designed for easy access to the battery, detergent dispensing system, and the recovery tank.

The Adfinity scrubber is available in 20 inch disc and cylindrical models.

TYPICAL APPLICATIONS INCLUDE

- Auto Dealers
- Beer Distributors
- Manufacturing
- Warehouses
- Hangers

STANDARD FEATURES INCLUDE

- AXP™ Onboard Detergent Dispensing System
- Onboard Battery Charger
- Tools-free removal of squeegee and squeegee blades

OPTIONAL ACCESSORIES INCLUDE

- Variety of Scrub Brushes
- Polyurethane Squeegee Blades
- Integrated Solution Fill Hose
- Hour Meter Kit
- Wet Pick-up Wand Kit
- Scrub and Vac Kit

Advance Adfinity™ X20C & X20D

Walk-Behind Scrubber

Ergonomic and safe paddle system for operator comfort.

Easy to use control panel.
1. Scrub **2.** Vacuum
3. Pad drive click-off
4. AXP™ on/off; set dilution rate at control panel

Tools-free removable brushes.

Access to batteries and AXP onboard dispensing system.

Industrial Strength Solutions...

- Our products are designed using innovative technology that increases productivity and drives down the cost to clean.
- You can get expert service and maintenance for your Advance machines from factory-trained personnel around the world. Fast parts delivery, too.
- Maintain peak performance with Nilfisk Genuine OEM Parts.
