

Adfinity™ X20C

Walk-Behind Scrubber

FACT SHEET

Traction Drive For Increased Productivity.

Adfinity™ traction-drive scrubbers from Advance offer the size and performance you need. With a cylindrical scrub path of 20 inches, and an onboard detergent dispensing system, you will get the highest level of cleaning productivity.

If you're looking for a scrubber that offers the most efficient use of cleaning chemicals, an Adfinity with ExcoFlex™ System is your answer. Advance's patented EcoFlex onboard detergent dispensing system eliminates guesswork by dispensing detergent at the manufacturers' recommended dilution ratio. The Adfinity with EcoFlex eliminates premixing of chemicals, which saves time and prevents detergent and water waste. The Adfinity comes standard with an onboard battery charger, allowing the flexibility to charge the machine at any available electrical outlet.

One-Touch™ operation makes the Adfinity easy to learn and easy to use. The Adfinity is equipped with forward and reverse traction drive and an ergonomic and safe paddle design for extra operator comfort. The Adfinity is designed for easy access to the battery, detergent dispensing system, and the recovery tank.

TYPICAL APPLICATIONS INCLUDE

- Auto Dealers
- Beer Distributors
- Manufacturing
- Warehouses
- Hangers

STANDARD FEATURES INCLUDE

- EcoFlex™ Onboard Detergent Dispensing System
- Onboard Battery Charger
- Tools-free removal of squeegee and squeegee blades

OPTIONAL ACCESSORIES INCLUDE

- Variety of Scrub Brushes
- Polyurethane Squeegee Blades
- Integrated Solution Fill Hose
- Hour Meter Kit
- Wet Pick-up Wand Kit
- Scrub and Vac Kit

Advance Adfinity™ X20C

Walk-Behind Scrubber

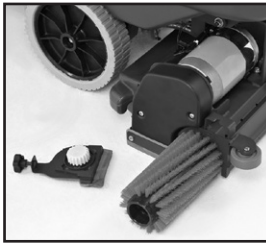

Ergonomic and safe paddle system for operator comfort.

Easy to use control panel.

1. Scrub 2. Vacuum
3. Pad drive click-off
4. EcoFlex™ on/off; set dilution rate at control panel

Tools-free removable brushes.

Access to batteries and EcoFlex onboard dispensing system.

Industrial Strength Solutions...

- Our products are designed using innovative technology that increases productivity and drives down the cost to clean.
- You can get expert service and maintenance for your Advance machines from factory-trained personnel around the world. Fast parts delivery, too.
- Maintain peak performance with Nilfisk Parts.

Technical Specifications

Models	Adfinity™ X20C
Scrub Head Type	Cylindrical with debris hopper
Deck Interchangeability	All deck types interchangeable
Scrub Path	Dual 20 in (50.8 cm) cylindrical brush system
Drive System	0.3 hp (200 W) variable forward and reverse Max speed 3.5 mph (5.6 km/hr), 16% gradeability
Max Productivity @ 3.0 mph (4.8 km/hr)	26,400 ft ² (2,453 m ²)
Scrub Pressure (2 settings)	
Floating	57 lb (26 kg)
Locked	—
Scrub Head Speed	570 rpm
Solution Flow Rates	
Smart Solutions™ variable up to	0.15 gal/min (0.55 L/min) 0.3 gal/min (1.1 L/min)
Squeegee Width	29.9 in (75.9 cm)
Dimensions (w/o squeegee)	
L	49.2 in (125 cm)
W	22.4 in (57 cm)
H	42.9 in (109 cm)
Weights	
Without batteries	247 lb (112 kg)
With batteries	362 lb (164 kg)
Voltage	24 V
Power Source	(2) 12 V batteries (wet-acid and maintenance free available)
Onboard Battery Charger	24 V wet/maintenance free compatible
Solution Tank	14.5 gal (55 L)
Recovery Tank	14.5 gal (55 L)
Scrub Motor(s)	(2) 0.54 hp (400 W)
Vacuum Motor	0.44 hp (330 W)
Sound Level	65.8 dB A at operator's position
Approvals	ETL, CSA, CE
Part Number	56317331 w/130 Ah wet-acid batt. 56317332 w/98 Ah gel batt.
